Interim Headteacher: Mr Peter Smith

Chair of Governors: Lady Hayter

It has been a very busy week at school and I have been amazed at how hard many children are working in this long term- full of enthusiasm with the topics they are studying! For the next two weeks children in most classes will be completing some base-line assessments to see where the support will be needed next term.

Thanks to those who were able to speak to your child's class teacher by phone this week in our alternative parents evening. We have been having internet issues in the evening, so I am glad we decided to organise it in this way.

On Tuesday we had our Skipping Day and George from 'Skipping for Schools' joined us to run some workshops with all classes. He was really impressed with the progress we have been making as a skipping school over the last few years.

Next term we would like to offer the opportunities for children to watch a film after school- like our previous film nights- but in the hall). Elm and Birch's film club will be on Friday 6th November and Oak and Ash's film club will be on Friday 4th December. This will be run by staff and a snack box will be provided by the PTFA. See more details on the leaflet below.

Our new Pupil Parliament met this week. This year's representatives are currently all in the KS2 bubble but we will ensure that all children in school have a voice. Our pupil Parliament members are: Liam, Rhys, Fred S, Emily, Sophia, Thomas P, Neve, Poppie K and William. Their first item was to pick a film for the upcoming Film Club- Animals United.

Next Tuesday we have our school individual photographs. Siblings in school will be allowed to have their photograph taken together but no other children will be allowed to be in school this time.

A reminder that term finishes on **Thursday 22nd October**. Teachers will be in for a training day on the Friday.

Have a nice weekend,

Mr Peter Smith

Interim Headteacher

Covid-19 Information

<https://www.newbottleandcharlton.co.uk/covid-19information>

Thank you to those who are being cautious in checking when to send their child into school if they are ill. A reminder that if they have a high temperature (37.8°C or above), a persistent dry cough (Recent guidance explains -coughing for an hour or 3 coughing fits in one day) or a loss of taste and smell, then children will need to stay at home to self-isolate and they will need to get a test.

If they are feeling ill with other symptoms then if you would normally keep them off school, do so.

Children can come to school if they are well enough but suffering with some cold symptoms - such as a runny nose/ mucus cough/ sore-throat and will not need to get a test.

If you have any questions, please contact the office.
