### IMPORTANT- ALLERGIES-

We have a no nut policy in school and this now includes sesame seeds and Nutella.

Thank you for your support

Today is the end of term and it has been a super extraordinary one for all. Yesterday we were able to go up to church for a short Easter service from Father Matthew looking at the change Christians believe Jesus brought to the world through his resurrection. This afternoon I organised a mini Easter Egg Hunt in the school for the children (the eggs were kindly donated by the PTFA). Thank you to Kiki's mum for getting these for us.

This morning the children took part in an intra-cross country competition and despite the weather, children persevered to challenge themselves and beat their personal best. See the next page of our newsletter for some of the results.

Thank you to those parents who have donated plants to us for our sensory garden and to some members of the PTFA who worked hard last Saturday to get some top soil into our planters.

As we start to come out of lockdown, we will endeavour to carry out as many different events/activities as we normally do in the summer term including a potential production from Birch, sports day and teachers are planning in some provisional trips. Birch had a residential booked after Easter, which has been cancelled (email sent out to Birch parents). We are looking into a residential for Birch in the next academic year but are aware this will mean the current Year 6 will miss out. We are looking into doing a day trip especially for Year 6 before the end of the year.

Next term each class will carry out three more weeks of their spring topics before moving onto their summer ones. As we were unable to carry out a parents evening during the spring term, these will now take place by phone during the week beginning 26<sup>th</sup> April. More details will be given out during the first week back.

Can I remind parents to please let us know if any contact detail changes during the year and any new medical diagnosis or on-going concerns your child might be having for our records (including any letters) so that we can help to support you and your child as much as possible.

I hope you all have a lovely Easter break!

Mr Peter Smith

(Interim Headteacher)
