**\*WISDOM\*COMMUNITY\*DIGNITY\*HOPE**

**IMPORTANT - Big Bang Fayre has been cancelled - we are currently reorganising our week and will let you know more in due course!**

We had a super time yesterday with **World Book Day**. Costumes and characters looked fabulous and I enjoyed seeing the recycled, reused outfits - well done to you all for the hard work put in- staff included! Children in Birch shared a story which I have added to the Share a Million story initiative - please make sure you are recording all the stories you share on the recording sheet we sent home last week! Well done Birch on some super reading to everyone. Classes also enjoyed completing their own WBD activities.

Well done to the two **Goalball** teams who went to Waynflete this week to play Goalball - a slightly tricky sport as you wear a blindfold and have to listen for the ball which has a bell in it - I think a few may have peeked! Super effort from both teams who finished joint 4<sup>th</sup> and well done to our Year 6 sports leader. Thank you to the parents and staff who transported and supported at this event.

Elm class had a wonderful trip to **The Living Rainforest** on Wednesday where they took part in two workshops and saw a variety of tropical animals including monkeys, frogs and snakes - lovely that the topic area being studied can be brought to life in this way.

Today ten Year 5 and 6's were selected to take part in a **Squash festival** in Brackley - something a bit different! The opportunities that the children are offered are carefully thought about and it is lovely that children wish to have a go at new sports etc. Mrs Seamark accompanied them and they all enjoyed the session and were a credit to our school.

I am, as you were informed earlier in the week, receiving daily emails regarding the **DFe and PHE advice on the coronavirus**. We have reminded the children of the need to wash hands regularly and well. Posters are around school to emphasise this.

Next week it is **Science week** and Mr Smith has supported staff in putting together another exciting week of work STEM related including a Zoolab visiting. Additionally, it is Elm's class assembly on Thursday and our **Intra School Cross Country** on Wednesday afternoon - parents are welcome to watch at the playing field - the times are below. **Sport Relief** is on Friday and a separate flyer has gone home with details.

Have a lovely weekend,

*Kind regards,*

*Sarah Smith, Head Teacher*
